To Whom It May Concern ,
RE:Demonoske v Bank of America N.A. CASE #
5:08cv00066

I am writing this letter as per request about the on
going law-suit " Domonoske Settlement" .
I find any and all reasons that bank Of America are
trying to explain this case both wrong and just
another way for Big Business to try and get over on
"JOE public " yet once again . Please keep me in the
loop and keep me abreast of what is going on as I
will not settle and I want to remain in the law-suit.

Sincerely
